The following is an examiner's statement of reasons for allowance: Miyatake et al. (US '819), formerly relied upon requires an unreasonable amount of picking and choosing and combining various disclosures in order to arrive at applicants invention and hence the reference does not teach or suggest applicants invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
